

BOLD FORM | HIGH FUNCTION

S T U D I O E L E C T R I C

TYPE TWO loudspeaker

"SPHERE and TRYLON"

The TYPE TWO was inspired by the Trylon and Perisphere, the signature buildings of the 1939 New York World's Fair. The American Art Deco movement reached its peak with these designs. More than an exceptional piece of industrial art, the T2 is a true high fidelity loudspeaker, able to reproduce the finest detail and the emotional power that is captured in fine recordings.

The T2 is hand crafted by a master metal sculptor, and is produced in limited numbers.

Specifications:

3-way floor standing loudspeaker:

- 8" resin coated woofer
- 6.5" copolymer midrange
- .75" silk dome tweeter

(+/- 3db) 39Hz to 18KHz

(+/- 6db) 34Hz to 24KHz

Sensitivity : 87dB

Impedance: 4 ohms*

Fabricated from stainless steel and aircraft aluminum.

Recommended Amplifier Power:

50 to 250 watts

Height- 64" / Weight- 70 lbs
